

# BUGG

Take gourmet cooking anywhere, anytime with the outstanding BUGG.

Compact in size but big on technology, features and engineering, BUGG is the versatile barbecue that's perfect for all occasions.

Cook with the hood up, for crispier and tastier grilling. Or pull the hood down for slow-cooked succulent roasts.

- 1. Powerful performance**  
Two powerful, independently controlled stainless steel burners ensure a superior performance.
- 2. Versatile cooking**  
Barbecue your way with the hood up or down, a must for those who love to entertain. Plus an integrated thermometer comes standard. With a large cooking surface you can easily accommodate larger gatherings too.
- 3. Heat control without flare-ups**  
Dual temperature control ensures even heat without flare-ups, while the integrated thermometer ensures perfect results. BUGG's high performance Quartz Start Ignition fires up first time, everytime.
- 4. Easy to clean and pack away**  
Everything's easy with the BUGG. The locked-in grease tray and easy-clean hood ensure there are no spills or mess. The smart, detachable shelves and accessory hooks means it's easy to pack and go.
